

# Matching Events and People

By Lea Blanton  
Alamance Community College

## Teaching Objective

Students will correctly associate events and people named from the civics (history and government) items on the redesigned naturalization test.

## Overview

The attached handout is a short matching exercise.

## Answer Key

World War I	Woodrow Wilson
The Great Depression & World War II	Franklin Roosevelt
France gave this symbol of freedom and democracy to America	Statue of Liberty
The "Father of Our Country" and first American President	George Washington
The first people in America	American Indians
Civil Rights	Martin Luther King, Jr.
People sold in America as slaves	people from Africa
Equal Rights for women	Susan B. Anthony
The Star Spangled Banner	Francis Scott Key
Writer of the Declaration of Independence	Thomas Jefferson
A writer of the Federalist papers	James Madison
Writer of Poor Richard's Almanac	Benjamin Franklin
Saved the Union after the Civil War	Abraham Lincoln

In each group below, draw a line connecting the event with the right person.

- |   |                         |
|---|-------------------------|
| World War I   | George Washington       |
| The Great Depression & World War II                         | Woodrow Wilson          |
| France gave this symbol of freedom and democracy to America | Franklin Roosevelt      |
| The "Father of Our Country" and first American President    | Martin Luther King, Jr. |
| The first people in America                                 | Statue of Liberty       |
| Civil Rights  | people from Africa      |
| People sold in America as slaves                            | American Indians        |
